Avago Technologies GmbH  
a Broadcom Inc. Company  
Wernerwerkstr. 2  
93049 Regensburg, Germany

October 8<sup>th</sup>, 2021

To our valued customers:

We would like to inform you that KETEK GmbH and Broadcom Inc. and its subsidiaries (“Broadcom”) signed an agreement pursuant to which Broadcom will acquire the Silicon Photo Multiplier (SiPM) assets of KETEK.

The transaction has been closed on Oct 7<sup>th</sup> 2021. Broadcom will take over all SiPM products from KETEK, integrate the former KETEK SiPM products in the Broadcom SiPM portfolio and continue the sales of all SiPM products.

All purchase orders before Oct 7<sup>th</sup> 2021 will be executed and invoiced from KETEK. All new purchase orders starting Oct 8<sup>th</sup> 2021 will be executed from Broadcom and its distributors.

This letter provides also the information you will need to purchase the former KETEK SiPM products from Broadcom. If you intend to purchase SiPM products, then please send an email to [sipm@broadcom.com](mailto:sipm@broadcom.com). Broadcom will inform you about the distributor which will contact you and provide a quote to you. Based on the quote you can place the SiPM purchase order at the distributor.

If you have any questions regarding this letter or the transition, please contact Thomas Lichtenegger via the following email address: [thomas.lichtenegger@broadcom.com](mailto:thomas.lichtenegger@broadcom.com).

Best Regards,

Dr. Jürgen Knobloch  
Managing Director  
KETEK GmbH

Martin Weigert  
Vice President & GM Industrial Fiber Optics  
Broadcom Inc.
